	Response #1 Daniel was a great TA and he helped with a lot of topics. If I could have him as my professor everyday, I would. He really knew what he was talking about and explained topics well.
	Response #2 Very helpful and always knew what was important to study before exams.
	Response #3 Professor Brumley was good at explaining topics. He was understanding and cared about the students. He allowed for questions from students which made discussions more focused on what the class needed.
	Response #4 Daniel Brumley taught his section so well that I benefited from discussion much, much more than I did in lecture. Daniel was so excellent that he should receive an award. Daniel cares about teaching, his office hours were helpful, and he explained concepts in class thoroughly.
	Response #5 He was an easy going guy who explained what we were doing very well, you could tell he cared about the students because he always had office hours and was in discussion before and after to help students out.
	Response #6 Mr. Brumley is very approachable and knows the material very well. He is honest with students and also makes the class lively by incorporating some humor into his teaching.
	Response #7 Loved having Daniel as my TA. Very down to Earth and understanding of students.

Response #8	Helped clear up things I was confused about
Response #9	very good
Response #10	great discussion teacher
Response #11	Very helpful and enthusiastic
Response #12	Really helpful, explained things better in my opinion than the professor during lectures
Response #13	Daniel knew a lot about the material that he taught in discussion and he was really helpful during TA hours. His explanations were clear and taught the subject well.
Response #14	humorous and really helpful

Questions	
QID	**Question**
1117	**Additional Comments:**
Response #1	Awesome!!!!!! He is the only reason why I am passing calculus. He was always willing to help and had multiple sessions outside of class time for test prep.
Response #2	Daniel was very prepared considering everything he had to juggle with his own classes as well and would explain the material in a way that was better understood than how it was presented in lecture.
Response #3	I enjoy discussion
Response #4	Daniel is literally the only reason why I passed* (still tentative) Calculus A.
Response #5	Brumley was a great TA and touched on every topic we did not understand from the lectures.
Response #6	learned much more in discussions

Response #7	Very helpful!! Lecture was overwhelming and tended to be more confusing than enlightening, so having a discussion that actually made sense seemed to save the day.
Response #8	none
